The Rudewick Embroidery Company is happy to present quality, personalized gifts for the babies in your life. If you want to give something unique at the next baby shower you attend or an unusual gift for a very special baby at his or her birth or even first birthday, then one of these cute and cuddly toys is just perfect. With three different, customizable animal toys to choose from you can give a truly wonderful gift that will be treasured for many years.

### Lovie Blanket

The Lovie Blanket is a wonderful, soft 'security blanket' that the new baby will love. The bear and bunny come in either pink or blue, the lamb is trimmed in either blue, pink or tan and all have coordinated satin hearts where the child's name is embroidered. Give this very distinctive gift for only \$30.00 each. Each Lovie is 24" tall and 14" wide at the base.

### Personalizeable Pals

Select from the Bear, or Lamb or Dog in either 14" or 20" lengths with the name of the child embroidered across the toy's front. The cost for each 14" toy is \$18.00 and each 20" toy is \$20.00.

### Bib Buddies

Imagine giving this two-in-one gift to your favorite niece or nephew, grandchild or Godchild. Bib Buddies come as an 18" bear or lamb, with your choice of pink or blue edged bibs. The child's name is embroidered on a Velcro-closed bib that can be worn on the toy as well as the child. The cost for an extra special Bib Buddy is only \$25.00 each.
